EXPERIENCE

Illustrator at Simpleshow

Sept 2017 - Present

At Simpleshow, I illustrate content for animated explanation videos, adapt and develop custom styles for clients, prepare illustrations for animation, make storyboards, and create character designs from scripts.

Illustrator Intern at Root Inc

Dec 2016 - August 2017

Collaborating with a team of artists and consultants, I created and developed illustrations for businesses to help them engage their people.

Published Children's Book

Oct 2016

Birds at the Beach is a picture book that I designed, illustrated, and self-published. It features how each bird has fun in the sun and is available on Amazon.

Freelance Illustration

While doing freelance, I communicate with clients to develop fun and creative illustrations on time and within budget.
